2023 Village of West Salem Guidelines for Yard Waste/Twigs, Branches, Leaves, Christmas Trees, Large Items, Tires, TVs & E-Waste

Automated Pickup: It's How We Roll!

This information is for single-family to 2-family duplex residential units only, if more than 2 units, please contact your current hauler.

Garbage will be picked up weekly on Mondays and Tuesdays. Recyclables are picked up bi-weekly. Please refer to the map on page 3 to see your day of collection. **Garbage and Recyclables must be placed in the carts from Hilltopper Refuse and Recycling Service Inc.** These are the **ONLY** containers that are picked up. Carts have a 10-year warranty from the manufacturer. If they lose a wheel, if the lid comes off, or other “normal” repairs, the cart will be repaired or exchanged by Hilltopper Refuse and Recycling Service. There is no cost to the resident for these types of “normal” repairs. The carts have an identification number and are to remain at the address assigned to.

Additional Garbage

Garbage set beside the cart, put out in bags or a can, **will not be collected.** You can wait and put the extra trash in the cart for the next collection, or haul it yourself to the La Crosse County Landfill or Hilltopper. Both charge a small fee for disposal. If you intermittently have additional trash, you may purchase stickers from Hilltopper for additional bags of trash. These stickers must be paid for in advance, placed on the bag, and set next to your cart for pickup. If you find you need more than one cart, contact Hilltopper Refuse and Recycling at 783-6727 and make arrangements to have an additional cart delivered. There is an additional annual charge for the second cart. You will be billed directly by Hilltopper.

Large Article Pickup

Large article pickup service is not provided by the Village of West Salem. Residents must contract on their own for collection or disposal. If your large article is something that someone else could benefit from, consider Habitat for Humanity Restore, 608-785-2375.

Please check your local yellow page listings for Garbage Collectors.

The La Crosse County Landfill has a citizen drop-off site at 6500 Hwy 16 also. See front cover for additional information. There is a small fee for large articles at drop-off.

TV’s, Appliances & E-Waste

TV’s, appliances, computers (desktops, laptops, notebooks, tablets), desktop printers (including those that scan, fax, and/or copy), computer accessories (including monitors, mouse & keyboards, scanners, hard drives, speakers, flash drives, modems), DVD players, VCR’s, DVR’s, fax machines and cell phones. Residents can take these items to the following places:

1. **Please check your local yellow page listings for Garbage Collectors and/or Recycling Centers.**
2. **La Crosse County Landfill (608-785-9999)**
3. **Habitat for Humanity Restore (608-785-2375)**

Christmas trees are collected curbside during the **month of January only**. Please remove tinsel, ornaments, lights, etc. Trees placed in bags will not be picked up.

Yard & Garden Waste **VILLAGE RESIDENTS ONLY**

The Yard and Garden Waste Disposal site is located on West Avenue North, just north of the Village Garage. Bags and containers must be emptied and properly disposed of in garbage cans provided at the site.

The following materials may be left at the yard waste disposal site, in the designated areas listed below only, at any time during daylight hours. This area is for your convenience. Please do not abuse it by not following the regulations, leaving household trash or other unacceptable items. This site is monitored by security cameras and violators will be ticketed.

Yard Waste Site		Tree Limbs/ Brush Site		Wood Chips
Acceptable	Not Acceptable	Acceptable	Not Acceptable	FREE chips for Village residents
Grass/leaves	Ashes	Limbs	Stumps	Do NOT place anything in this pile
Garden Waste	Nails	Branches	Roots

Wood Chips	Rocks/bricks			FREE compost for Village residents
Stump grindings	Garbage bags			Do NOT place anything in this pile

No person shall permit grass clippings from mower swaths to remain upon sidewalks, street pavements, gutters of any public street, or on abutting property not owned or occupied by said person. Placing these items in the gutter may create problems with our storm water system and may cause a backup. VIOLATERS WILL BE TICKETED.

Tree Limbs & Brush (on calendar) **VILLAGE RESIDENTS ONLY**

Brush chipping is a service to Village residents and is to be used on an occasional basis such as spring cleanup and/or storm damage. The service is not to clear woods, remove large trees or clear building sites. It is not for larger properties with many trees to use on a constant basis. Properties repeatedly using this service will be notified that their brush will not be chipped.

The Village collects tree limbs and brush curbside on the 1st and 3rd Tuesdays of each month from April through October. Tree limbs and brush may not be placed on any boulevard for regular Village pickup more than 5 days prior to the scheduled pickup date. Violators will be ticketed for littering on public right-of-way. (see calendar opposite). Please follow these guidelines:

- Brush must be cut less than 12 feet long and cannot be thicker than 6 inches in diameter. **Disposal of brush in excess of 6 inches diameter is the homeowner’s responsibility.** Branches shorter than 24 inches and less than ¾ inch in diameter should be taken to the yard waste disposal site.
- Brush and tree limbs should be placed curbside no later than **7:00 am on collection days**, and must be neatly stacked with stems pointing in one direction. Tree limbs and brush may also be bundled tightly.
- **Residents are allowed to place 2 piles no more than 12 feet long by 4 feet high for scheduled pickups. Disposing of tree limbs and brush in excess of this amount is the resident’s responsibility. If a resident hires a private tree service to assist with brush clearing, the tree service is responsible for disposing of the material. The Village of West Salem does not allow private tree services to use the Village disposal site.**
- Tree stumps, roots or shrubs with intact root balls will not be collected and disposal of such is the responsibility of the resident.
